

Amendments to the Specification

(1) Please replace the paragraph at page 4, lines 7-9 with the following paragraph:

(Figure 1A) Sequences of NEG1 (SEQ ID NO: 6) and NEG2 (SEQ ID NO: 2) within the R domain. Residues where mutations have been identified in the CFTR cDNA are underlined (E822K, E826K, D836Y).

(2) Please replace the sequence listing filed May 24, 2001 with the attached substitute sequence listing.
